

EPR System Update

Dictated Notes on the EPR Documents Tab

SBH has had dictated reports available to view on the EPR since 2013.

Dictated reports are now being rolled out to the EPR for other hospitals as follows:

- ⇒ **November 28, 2017** - MHC, VGH & VGH Department of Medicine
- ⇒ **December 5, 2017** - HSC and HSC Department of Medicine
- ⇒ **December 12, 2017** - SOGH, GH & CH

The document name for dictated documents will end in **(dictated)**. Dictated documents that will be available to view on the EPR include:

- | | |
|--|---|
| • Consult/Referral (dictated) | • Operative Report (dictated) |
| • Discharge Summary Note (dictated.)
(If there is a period after the word dictated, it is the Death Summary) | • Procedure Note (dictated) |
| • Discharge Summary Note (dictated) | • Progress Note (dictated) |
| • History and Physical (dictated) | • Vaginal Delivery Note (dictated) |
| • Letter (dictated) | • WCB Note (dictated) |

Note: The date displayed on the Documents tab represents the date imported into the EPR, not the dictated date or the visit date.

To view documents on the EPR for visits at other hospitals

Prescribing Providers:

- With the desired patient selected, click on the **Documents** tab.
- In the Options Panel:
 - **Chart Selection:** Select **All Available charts**.
 - **Date Range:** Select **Start of All Charts**.
